

Foster Parent Training Record

A log for tracking all classes, courses, workshops, seminars
and other professional development.

This is a record of education and training that:

_____ has completed.

USING YOUR INDIVIDUAL TRAINING RECORD

DSHS requires all licensed foster homes to complete First Aid/CPR, HIV-AIDS, Orientation and Pre-Service Training as per Washington Administration Code 388-150-200. Foster Parent Inservice Training is required for special rate/exceptional cost plans (Washington Administrative Code 388-73-302).

This booklet should be used to keep an account of all the education and training you complete for your licensing requirements and professional growth and development.
